**The Father's Day Offering is  
A Special Offering of the 112 Churches of  
The Presbytery of Western North Carolina  
In Covenant to Support the Mission of  
Grandfather Home for Children**

“TW” came into our residential program from a home situation where he lived in constant fear of an abusive father. For months our staff worked at assuring him that he was safe, that he would not be hurt, that he would have food and people protecting him. With his basic needs met “TW” was able to start focusing on the hurt from his past. As he learned to talk out his feelings he began to enjoy being a kid. He has made great progress and hopes to soon be ready for a safe and loving family placement.

**Grandfather Home for Children**  
*A Ministry Mending Families*

In honor of your father on Father's Day,  
consider giving a gift to help a child  
who has never known a good and loving father.  
Your gifts help our dedicated Christian staff  
show the love and acceptance of our Heavenly Father  
to children who desperately need God's love and healing.  
Please keep the children and staff of  
Grandfather Home for Children in your prayers.

Private sources provide 40% of the operating budget for  
Grandfather Home for Children.  
All contributions from churches and individuals  
go directly to support the needs of the children.  
THANK YOU!
