## GRANDFATHER HOME FOR CHILDREN *FOSTER FAMILY MINISTRY*

Grandfather Home Community Services for Children is a faith-based agency whose ministry is working with traumatized children. We are currently looking for Christian adults and families who want to make a difference in a child's life by being a foster parent. Grandfather Home currently serves over 240 foster children. We provide foster care from the Western North Carolina mountains to Raleigh.

Our services to foster families include:

- Individual one-on-one training to accommodate your schedule
- Continuing education for foster parents in their homes and through group workshops and conferences
- Case managers are available 24/7 and have small case loads in order to provide support to families
- We offer both therapeutic and family foster care training and support
- More than 157 children have been adopted from foster care through our adoption services
- Private funds are available to provide support for special needs of our foster families (birthdays, Christmas, vacations, etc.)

If you want to make a difference in the life of a child or children...

If you want to help a traumatized child heal, grow, succeed and learn to be a child again...

If you want to help make a child's self-confidence and self-esteem soar...

If you want to help a child learn to love again...

**Perhaps God is calling you to this ministry!**
